Arthur, Guinevere, some knights and some ladies were
banqueting when a strange visitor arrived...

I like cakes !

I can see a man in the forest !

Arthur and his court were banqueting, everyone was happy !

Hello my friends, I'm a merchant, I have nice spices, do you want some?

Oh yes, please. Thanks !

Here you are !

A strange merchant arrived at Camelot.

He sold spices, strange spices...

They are so stupid !

Good job ! Well done !

ZZZZ...

The court fell asleep.

Let's hide in the forest!

The strange merchant and his friend kidnapped Guinevere.

The court woke up.

They realised Guinevere had disappeared.

The strange merchant left a letter, Arthur read it.

Let's help Arthur !

Can I help you ?

Guinevere disappeared! Where is Baron Forest ?

The ladies decided to help Arthur to free Guinevere. Arthur and the knights asked the Lady of the Lake for help.

Skies, skies, help me !

They are in the forest over there!

The Lady of the Lake called on the skies. She led Arthur to the Baron's hiding place.

Arthur, help me , please !

Don't move or I'll cut her throat!

Die, you traitor !

I'll win !

Arthur found the Baron, the situation was tense! Arthur and the knights fought the cunning Baron.

Guinevere, you're here at last!

Oh Arthur, it's so good to see you!

And Arthur won! After the fight they went back to Camelot.

They had a banquet to celebrate the victory, Arthur and Guinevere had a happy life together.

The end
